Congrats to all 10 teams in the final.

Next steps:

1) Know the format of the **final round on Sep 20, 7pm-945pm, LT27**.

- Each team has 8 minutes of on-stage presentation time, plus up to 4 minutes Q&As from judges.

- Ready your PowerPoint slides by Sep 19. *Instructions will be provided for uploading of the final version of the slides.*

- Judges are:

From Ministry of Transport:

Mark Tan, Head, National Electric Vehicle Centre (NEVC), LTA; Director, Futures and Transformation, MOT

From Schneider Electric:

Adrian Duque, BD Manager, eMobility, APAC

From KPMG in Singapore:

Satya Ramamurthy, Global Co-Head of Public Transport

From NUS:

Prof. Koh Lian Pin, Director, Tropical Marine Science Institute, NUS; Nominated Member of Parliament, 14th Parliament of Singapore

- Your cases will be judged based on content (50%) and delivery (50%).

2) Each team can send a maximum of 3 people to the in-person final round. The rest of the team members will Zoom in as an attendee in the Zoom Webinar. You may add a 4th member if you can justify that it is essential for your presentation.

Instructions will be provided for submitting the list of team members for the in-person final.
